

Exhibitor Danish Concrete Day 2024

Copenhagen

May 2024

Danish Concrete Day 2024 – Company Exhibition

The Danish Concrete Association is hosting its annual Concrete Day at

**Hotel Comwell Borupgaard, Nørrevej 80, 3070 Snekkersten
on Thursday, September 26, 2024**

The following day, Friday, September 27, there will be an excursion.
On Thursday evening, the Danish Concrete Association will host a dinner.

The exhibitor showcase is a valuable part of Concrete Day and is highly appreciated by the participants. It brings together our firm members who contribute to the event with their exhibitions.

General information

This year, the Danish Concrete Association offers excellent exhibition conditions in two large halls, accommodating up to 30 exhibition stands. Each stand will have an area of approximately 2 x 2 meters, and coffee breaks will take place in the smaller of the two exhibition halls. Stand allocation will follow a first-come, first-served principle.

The program for Danish Concrete Day 2024 is diverse, and we expect it to attract a wide range of professionals from the concrete industry, as in previous years.

We encourage all exhibitors to try new approaches in their displays. Consider activities such as:

- Small interactive sessions for participants
- Contests (note that this year, exhibitors will have the opportunity to present prizes in the hall at the end of the day's program, please inform Pernille in advance if you wish to do so)
- Film screenings at your stands
- Creating an unmanned stand with contact information for representatives who can network throughout the venue
- Or any other creative ideas you might have 😊

The Danish Concrete Association hopes that both new and returning exhibitors (see the last page) will take this opportunity to showcase their expertise and products.

New Initiative

As a new initiative, the Danish Concrete Association aims to include students more actively in our concrete community. We will set up a stand where students can receive guidance on finding exhibitors or companies relevant to their education. To achieve this, we kindly request your assistance. Below are some questions to help us provide the best guidance for finding the right company match:

- What type of company are you?
Contractor, Consultant, Laboratory, Manufacturer, Supplier of materials, Supplier of equipment, Other.
- What is your core task?
- Where in the country can one work?
All locations are welcome
- How many salaried employees do you have?
- What type of employees are you typically looking for?
(Feel free to select multiple options)
Engineer, Designer, Architect, Other
- Do you hire student assistants or interns?
- Would you be interested in participating in a student project?
- Do you have any open positions? If yes, which ones?

Please send your responses back to Hanne (hhk@ida.dk) when registering your exhibition stand.

We hope you'll contribute to informing students about the firm members represented by the Danish Concrete Association.

Practical Details

The exhibition fee is 12,495 DKK for firm members and 18,495 DKK for non-firm members. These amounts are exclusive of VAT, and no VAT payment is required.

Each stand can choose between a regular table or a café table with a white tablecloth. Access to electricity and free Wi-Fi will be provided. Note that the exhibition stands will not have walls.

We anticipate that exhibitors will have access to the exhibition area on Wednesday, September 25, after 6:00 PM. Confirmation will be provided closer to the date.

The fee includes participation in the entire event on September 26, including the dinner.

Regarding the fee: The fee includes participation in the entire event on September 26, including attendance at the dinner. Stand personnel are also welcome to sign up for the excursion on Friday, September 27, at a cost of 400 DKK per person, as well as accommodation at a cost of 1,250 DKK per person.

Question re exhibition, please contact organizer: Pernille Nyegaard, mail prin@teknologisk.dk

For exhibitors interested in serving beverages: If an exhibitor wishes to serve beverages, this must always be arranged directly with Hotel Comwell Borupgaard in advance. There may be a charge ("corkage fee") associated with this service. Additionally, if any exhibitors require special AV equipment (such as screens), arrangements and payment should be made directly with the

hotel. To place orders, please contact Conference Coordinator Fabio Messina at Hotel Comwell Borupgaard by phone at 48 38 03 01 or via email at fme@comwell.com.

We hope you are interested in exhibiting at Danish Concrete Day 2024. To register, please complete the attached registration form (see Attachment 1) and send it to Hanne Høy Kejser at hk@ida.dk.

The registration form can also be downloaded in digital form (Excel format) from the Danish Concrete Association website under the icon "Danish Concrete Day 2024" on the homepage: www.danskbetonforening.dk

Acknowledgment for Early Registrations: All exhibitors registered by June 30, 2024, will be mentioned in the program distributed and in the announcements for Danish Concrete Day in the digital magazine "Beton."

Final Deadline for Exhibition Stand Registration: The absolute final deadline for registering exhibition stands, if space is still available, is September 1, 2024.

Best regards

Marianne Tange Hasholt
Chairperson,
Danish Concrete Association

Hanne Høy Kejser
Network Coordinator,
Danish Concrete Association
